## PRODUCT INFORMATION SHEET

# POWER BACTERICIDAL

## Concentrated Odourless Sanitising Surface Cleaner / Degreaser

### General Description:

A powerful, multi-purpose, odourless sanitiser cleaner and degreaser for the effective removal of most soils and grease typically found in catering and food preparation environments. Passes the requirements of BS EN 13704 for sporicidal activity at a dilution of 1:40. Passes the requirements of BS EN 1276 for bactericidal activity at a dilution of 1:20. Phosphate free and biodegradable.

### Recommended For Use On:

All kitchen and food preparation surfaces, walls, floors, cabinets, work tops, tables, stainless steel, chrome, tiles, glass, mirrors, modern furnishings and equipment.

### Directions For Use:

To make one 500ML trigger spray dose 25ML and fill to top with fresh clean water, spray onto desired surface and wipe down using a dedicated cloth. For general bucket cleaning (depending on level of dirt) dilute 1:15/1:20 and apply sparingly to desired surface. A higher concentration of chemical may be used where soiling is stubborn.

## OTHER INFORMATION

H315 Causes skin irritation, H319 Causes serious eye irritation. H332 Harmful if inhaled.
