

# H089 : ACT PEACH BOWL

stainless steel safe toilet cleaner and descaler

## Description of product

\* Peach Bowl is one of a range of perfume co-ordinated quality washroom products. \* Safe for use on stainless steel. \* Advanced formula dissolves organics as well as scale without brushing. \* Safer than strong acids or bleach yet more effective. \* Kills odours at source - leaves a fresh peach fragrance. \* Biodegradable and phosphate free.

## Product Uses

A concentrated liquid lavatory cleaner which removes limescale and organic deposits and leaves toilets, urinals and sanitary ware clean and fresh.

## Directions

REGULAR CLEANING: Apply evenly above the water line and around the rim. Leave for 10-15 minutes before flushing the toilet. URINALS: Apply directly to the surface of the urinal with mop applicator, agitate as necessary to remove stubborn stains. Leave to flush and rinse out applicator. HARD SURFACES: Dilute 1 part to 40 parts cold or hand hot water. Wash the surface with this solution. Rinse thoroughly with clean water. N.B. Do not use on acid sensitive surfaces such as marble, terrazzo, chrome or enamel. Do not leave neat material in prolonged contact; always rinse off.

## iNsight Supported

iNsight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>
