

# C026 : DETERGENT DEGREASER

OIL AND GREASE EMULSIFIER

DETERGENT DEGREASER	C026
---------------------	------

oil and grease emulsifier

description	Highly concentrated mild yet powerful detergent degreaser Suitable for a wide range of cleaning applications, from cleaning oil and grease from industrial floors, cleaning vinyl, and cleaning carpets, to general hard surface cleaning. Can be applied by cloth, sponge, brush, mop, hand trigger spray or even steam cleaner.
application	Solvent free - will not attack bitumen so Detergent Degreaser is safe to use as an oil and grease remover from asphalt surfaces. Ideal for use with steam or high pressure cleaners or mechanical floor scrubbers.
directions	For oil and derv removal dilute 1 part product to 20 parts hot water. For general cleaning use 1 part product to 100 parts water. Detergent Degreaser will work with either cold, warm or hot water, consistent with most detergents its performance will be enhanced in warm or hot water when compared with cold.

Technical	
	<b>Composition</b> A blend of nonionic emulsifiers and solubilising agents with chelating agents.
	<b>Appearance</b> Translucent liquid
	<b>Colour</b> Yellow
	<b>Viscosity</b> 80 centistokes
	<b>Density</b> 1.01
	<b>pH</b> 10.4 – 11.2
	<b>Fragrance</b> Odourless
	<b>Stability</b> 2 Years stored in unopened containers in ambient temperatures.
Biodegradability	All surfactants contained in Selden Products meet the requirements of the EU Detergent Directive 2005 – 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO2 and water.

**Product is for professional use only.**
